About the course

Renew your AutroPrime certification easily through this digital recertification course.

Topics

- AutroGuard detectors
- Recertification exam

Who should take this course

Service engineers and project engineers who want to renew an existing AutroPrime certification.

Getting started

Training participation requirements

Before you start the course, you will be asked to acknowledge Autronica Academy's general training participation requirements.

> **No audio or video recording**
> Participants are **not allowed to record audio or video** of the course material. This applies to all parts of this e-learning course.

AutroLearn training portal

You will receive an invitation email to the AutroLearn training portal. Log in at https://autronica.talentlms.com/ and complete the **AutroPrime Recertification** course. The course is self-paced, so you can complete it at a time that suits you. See also: FAQs on e-learning (PDF).

What you need

- A computer with an internet connection.
- Your AutroLearn login details (from the invitation email).

On completion

When you pass the recertification exam, your renewed **certificate** is issued digitally in AutroLearn.

Please forward this information if received on behalf of the training participant(s).
