AutroSafe 4 Installer Training

Participant guide – Digital e-learning

Format	Digital e-learning (self-paced, AutroLearn training portal)
Duration	4 hours
Accreditation	Achievement Badge
Target group	System installers
Contact	Autronica Academy academy@autronicagroup.com

About the course

This fully digital course teaches you how to install an AutroSafe 4 system effectively and easily, and helps you understand its most commonly used components. You can choose the industry focus within the course.

Topics

- System presentation
- Installation
- Loop diagnostics tool

Getting started

Training participation requirements

Before you start the course, you will be asked to acknowledge Autronica Academy's general training participation requirements.

> **No audio or video recording**
> Participants are **not allowed to record audio or video** of the course material. This applies to all parts of this e-learning course.

AutroLearn training portal

You will receive an invitation email to the AutroLearn training portal. Log in at https://autronica.talentlms.com/ and complete the **AutroSafe 4 Installer Training** course. The course is self-paced, so you can complete it at a time that suits you. See also: FAQs on e-learning (PDF).

What you need

- A computer with an internet connection.
- Your AutroLearn login details (from the invitation email).

On completion

When you complete the course you receive an **Achievement Badge** in AutroLearn.

Please forward this information if received on behalf of the training participant(s).
