Autroprime Certification Training

Participant guide – Digital e-learning + Live Zoom meeting

Format	Digital e-learning + Live Zoom meeting
Duration	Preparations (3–4 hours) + 1.5 days
Goal	Basic understanding of the Autroprime interactive fire detection system. Installation, configuration, commissioning and operation of an Autroprime system. Basic knowledge of fire detection terms and principles.
Contact	Autronica Academy academy@autronicagroup.com

Before the training

Training confirmation

Submit your participant notification form: https://forms.office.com/e/Wnt2tHHfHW

Live Zoom meeting

The Zoom registration link will be sent separately by email. **Each participant joins on their own computer.**

AutroLearn e-learning

You have received an invitation email to the AutroLearn training portal. Log in at https://autronica.talentlms.com/ and complete the **Autroprime Certification Training** course. Please estimate 3–4 hours to complete it. **The digital course must be completed prior to the training.** See also: FAQs on e-learning (PDF).

> **No audio or video recording**
> Participants are **not allowed to record audio or video** of the course material. This applies to both the e-learning and the live Zoom meetings.

Training kit

The Autroprime training kit must be purchased (max. 3 participants per kit). **Please order your kit at least 4 weeks before the training** via your Autronica sales contact.

Land market	116-APRIME-TRAINING-KIT
Maritime market	116-MAR-AP-TRAINING-KIT

- The kit must be **connected and ready to power up** before the training starts.
- Wiring schematics are available in the AutroLearn training portal.

Certificate

The training concludes with an online exam in the AutroLearn training portal.

Please forward this information if received on behalf of the training participant(s).
